

MAY DAY BASKET MAKING

WITH ARTIST AMY MAIERS

Reviving a spring tradition, May baskets are a wonderful way to share your appreciation of your friends and neighbors and a love of spring. Come join the Winterset Art Center to make your own baskets and fill them with paper flowers you created! Or put in real flowers or treats yourself.

Learn how to make different types of paper baskets and flowers. Great for kids!

Since its beginning in 1958, the Winterset Art Center has been a volunteer-led, non-profit facility offering gallery space, classes for people of all ages, studio space and supplies, arts education, cultural events, writing opportunities, and a rental space for gatherings. We are a place for children and adults to have fun while learning, a museum about local art and artists, a friendly gathering spot for sharing artistic talents and interests, a venue for parties, meetings and dinners, a place to find original art for sale by local artists, and a vital part of a thriving, historic community.
