

# MINI ART WEAVINGS

WITH ARTIST MAGGIE HOWE

Mini Art Weavings with artist, Maggie Howe. Use fun and funky yarns and a small weaving hoop to create adorable artsy mini weavings perfect for hanging, display, or lovely heartfelt gifts. A great way to explore fiber, colors, and weaving without investing in a huge weaving loom. Totally portable and simple. All materials provided, however, if you have yarn or fabric scraps that you love, or would love to use, please feel free to bring them.

Since its beginning in 1958, the Winterset Art Center has been a volunteer-led, non-profit facility offering gallery space, classes for people of all ages, studio space and supplies, arts education, cultural events, writing opportunities, and a rental space for gatherings. We are a place for children and adults to have fun while learning, a museum about local art and artists, a friendly gathering spot for sharing artistic talents and interests, a venue for parties, meetings and dinners, a place to find original art for sale by local artists, and a vital part of a thriving, historic community.
