Since its beginning in 1958, the Winterset Art Center has been a volunteer-led, non-profit facility offering gallery space, classes for people of all ages, studio space and supplies, arts education, cultural events, writing opportunities, and a rental space for gatherings. We are a place for children and adults to have fun while learning, a museum about local art and artists, a friendly gathering spot for sharing artistic talents and interests, a venue for parties, meetings and dinners, a place to find original art for sale by local artists, and a vital part of a thriving, historic community.
